Re: Holding of Banking awareness Programme at Govt & Private Schools in Port Blair.

We would like to inform you that as a part of Govt of India initiative, the R.B.I along with S.B.I have tried to fill vacancies of Financial Literacy Co-ordinators and Directors in the lead banks all over India. For SBI there are two centres, Andaman and Sikkim. Right now the undersigned is attached to Garacharma branch (FLC Centre) We wish to visit the schools for this purpose. kindly arrange to issue necessary instructions to the Principals or acting Principals so that when we visit the institutions, they are aware that we would be going for such programme. The awareness programme will be of 02 hours duration and shall cover topics such as Banking Schemes, Jan Suraksha Schemes, Financial planning and motivational curriculum.

We thank you for your kind support on the subject. We solicit your cooperation.

Regards,

Yours faithfully,
K. FRANCIS AGM
